RELEASE

 **BARENBRUG**

Marshall
Sub-clover

 450mm+
 4.8-8.0
 Heavy-medium

Marshall was developed in partnership with SARDI to improve on the popular 'Mintaro' mid-maturity sub clover. Marshall is an ideal choice as a stand-alone pasture legume for high yield forage, silage or hay production, or as a partner with other sub clovers in mixed perennial pastures.

Key improvements

Up to 24% total yield improvement over Clare and 19% over Mintaro
Improved early vigour, cool season yield and spring forage yield

The sale will be conducted as a Live Auction at the Regional Events Complex, Bendigo Showground and livestreamed with audio only on AuctionsPlus.

The sale can be viewed by live videostream on the “Elite Show & Sale - Bendigo” Facebook page. There may be a 1 to 2 second delay between the AuctionsPlus audio and the video on Facebook.

Buyers are encouraged to be aware of the restrictions relevant to their location in regard to OJD management and sheep movements. It is the buyer’s responsibility to ensure they can take delivery.

Transportation and the cost of transportation of any lot sold is to be agreed between the purchaser and vendor, with liability to pass to the purchaser at the conclusion of the sale. The Elite Committee recommends that purchasers insure their purchases.

AUCTIONSPLUS BUYER INDUCTION TRAINING:

If you are intending to bid online through AuctionsPlus, please note that all new registered AuctionsPlus buyers are required to complete Buyer Induction Training prior to bidding.

AuctionsPlus recommends that all intending bidders have completed their registration and training 24 hours prior to auction. For all enquiries please contact AuctionsPlus direct on (02) 9262 4222 or email info@auctionsplus.com.au
